IMPORTANT NEWS – The Therapeutic Massage Clinic has a new home.

After 8 years at Darras Hall Surgery the clinic is relocating to Meadowfield Industrial Estate in Ponteland village. The move will allow more flexibility and therefore more appointment times. The surgery has provided a good home for me but as the business has grown the time is right to move on.

Address: unit 4, Meadowfield Court, Meadowfield Industrial Estate, Ponteland. Tel: 01661 822271

The new clinic opens on **Monday 16th March** and all advance appointments will be transferred automatically. The site still offers free parking and you will see the clinic sign on the right as you drive along the estate past the health centre. Please come into the building and take a seat in the waiting room at the end of the hall. I will meet you there for your appointment.

I will still be running clinics in Sandyford as before at Kevin Bell Physiotherapy. I would like to thank you all for your continued support as I move towards my 15th anniversary in Ponteland and look forward to welcoming you to the new Therapeutic Massage Clinic.
